IMPORTANT – Mike Albert Power Outage

On Sunday September 14th, the Cincinnati area experienced extremely high winds resulting from Hurricane Ike. The winds caused significant damage and widespread power outages throughout the region. Time Warner communications have been down for several days and, as a result, our internet, phone lines and website had been non-operational. These systems are now up and running at full capacity.

As a result of the outage, any e-mail communications sent to Mike Albert on Monday or Tuesday may not have been delivered. **Therefore, if you tried to contact anyone at Mike Albert after Saturday September 13th please resend your e-mail so that it does not get lost in the system.** We apologize for the inconvenience.

We thank you for your patience during this time. Please do not hesitate to contact Mike Albert Vehicle Fleet Management at 1-800-886-5828 with any questions.
